FEBRUARY 2010 HOLIDAY PROGRAMME

Please note, each week we will include craft, cooking, sports activities and more within the theme. This programme has been drawn up in consultation with children in our care and may change to allow for new and wacky ideas – children's and adults!

Monday 15th - Loving Art ♥

Lots of arts for your loved ones today. Create your own flowers, pop up cards, tea light holders and more. Later, make jam tarts and a fruity smoothie to enjoy at our 'love'ly tea party! Have fun to your heart's content!

Tuesday 16th - Love's in the air! ♥

Love is still in the air after Valentines, so let's continue from yesterday. However, in addition, lets get baking some more with a romantic twist today. Do you have a recipe too?

Wednesday 17th - Beat It!

Be prepared for loads of noise today – Funkidz! is getting funky for a day of music. Bring in your own CDs and instruments and let us hear your stuff, or take part in our dvd music quiz. Groove to the sounds, form your own selection/band or wow us with your voice in our karaoke competition!

Thursday 18th

Game on!

Today is Funkidz! day of games. We missed out last holiday because of the snow, so bring in your favourites to share, or discover some new challenges here! Playstation, Nintendo Wii, Connect 4, Twister, sports competitions and races. Bikes, scooters, roller skates and skate boards are welcomed.

Friday 19th -

Simply Boxes!

Using your imagination and experience, make! and make! Our hall will be full of – yes you've guessed it – Empty Boxes!! Camps, cars, trains, trucks, robots, jewellery cases, jack-in-the-boxes etc. At the close of day your creation is all yours for the taking but not after we have taken pictures.

THE BIG FREEZE

Dear Parents

Thank you for being understanding during the chaotic weather in Dec/Jan. As you know, it impacted the running of the holiday and we were unable to hold some of our planned activities and our play-a-bit session for parents. This will be re-arranged for the Easter holidays.

The big freeze also impeded our **OFSTED** inspection, therefore this has been re-scheduled for **THIS** holiday during February.
